

## Amor De Loca Juventud

INTRO

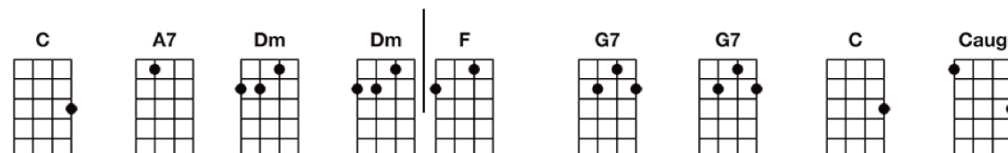

Intro (cont)

Mueren ya las ilusiones del ayer  
Dead and gone, are the illusions of yesterday

Que sacié con lujurioso amor  
That we quenched with lustful love

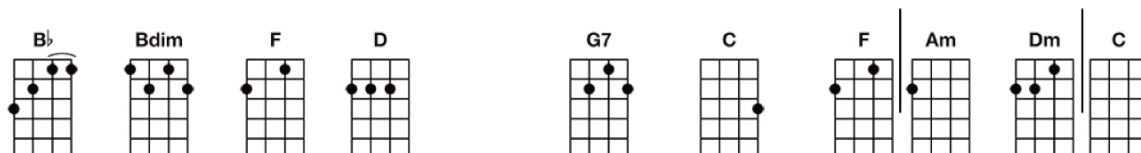

Y muere también con sus promesas crueles  
And dead, as well, with its cruel promises

La inspiración que un día le brindé.  
is the inspiration that love once offered me

Con candor el alma entera yo le dí  
Innocently, I gave her my soul

Pensando nuestro idilio consagrar  
Thinking we would consecrate our love

Sin pensar que ella lo que buscaba en mí  
I never dreamed, that the only thing, she was looking for in me, was simply the love, the wild love, of crazy youth

Era el amor de loca juventud

on the last time, add this final F chord as an ending
