Hold me close and hold me fast. The magic spell, you cast. This is la vie en rose

When you kiss me, Heaven sighs, And though I close my eyes, I see la vie en rose

When you press me to your heart, I'm in a world apart. A world where roses bloom

And when you speak, angels sing from above. Everyday words seem to
turn into love songs

Give your heart and soul to me, and life will always be, la vie en rose
