

Monster Mash - Ukulele (4/4 time)

I was working in the lab late one night, When my eyes beheld an eerie sight, When my monster from his slab began to rise, and suddenly, to my surprise

CHORUS: (He did the mash) He did the monster mash -- (The monster mash) It was a graveyard smash
(He did the mash) It caught on in a flash -- (He did the mash) He did the monster mash

From my laboratory in the castle east, to the master bedroom where the vampires feast,
the ghouls all came from their humble abodes, to get a jolt from my electrodes
CHORUS

The zombies were having fun; the party had just begun. The guests included Wolf Man, Dracula and his son!

The scene was rockin', all were digging the sounds, Igor on chains, backed by his baying hounds
The coffin-bangers were about to arrive, with their vocal group, "The Crypt-Kicker Five."

Out from his coffin, Drac's voice did ring. Seems he was troubled by just one thing
He opened the lid and shook his fist, and said, "Whatever happened to my Transylvania twist?"
CHORUS

Now everything's cool, Drac's a part of the band, and my monster mash is the hit of the land
For you, the living, this mash was meant, too. When you get to my door, tell them Boris sent you
